About Maricopa County

Maricopa County is located in the south-central part of Arizona. It is the most populous county in the state of Arizona and is one of the largest counties in United States, with a total of 9200 square miles. There are a total of 24 cities within Maricopa County that offer all types of attractions and things to do. Located within a desert region, weather temperatures can range from 68-degree highs in December to highs in July of 108 degrees.

Local Attractions

While staying here during treatment, our clients and their families also have convenient access to restaurants, theaters, book stores, Scottsdale Fashion Square shopping mall, and much more. Additional attractions include the Odysea Aquarium, Butterfly Wonderland, Towns of Cavecreek and Carefree, Old Town Scottsdale, Arizona Science Center, Musical Instrument Museum, the Phoenix Zoo and the Wildlife World Zoo. Traveling from out-of-state should never be a limiting factor in receiving treatment. Instead, traveling to The Gateway Institute aims to be a meaningful experience.
